

**Remarks**

Claims 1-3 and 5 are pending. Claim 3 has been amended to define a method of treating a patient suffering from bone metastasis comprising administering to the patient an effective amount of the pharmaceutical preparation according to claim 1.

**Selection of Species**

The Examiner requested further election of species in claims 3 and 4. Applicants elect bone metastasis for claim 3 because it is consistent with the Examples in the specification. Claim 4 has been deleted from the present set of claims.

Entry of this Response is respectfully requested.
